all things, everything

The Beauty of Neutrality

The Omnia's design reveals our profound care for details, by guiding our mindset over the quote "less is more". You will fall in love with the simplicity, the neutrality and the beauty of the design.

Omnia's neutral look inspires your customers to make their own choices, by offering them the best alternatives for every taste involved in the process. Beyond the high-quality of the products and refreshing Green Tea fragrance, the neutral design of Omnia will perfectly match every hotel bathroom, making you stand out in front of your guests through elegance, simplicity and originality.

We take pride in using the highest quality raw materials and turning them into best line of hotel cosmetics.

Oatmeal Soap

The 15 gr. soap is unique by the oatmeal scrub mixture, which gently exfoliates the skin and removes the dead cells. It has a large round shape and all the ingredients we have used are premium quality, caressing the skin with tenderness.

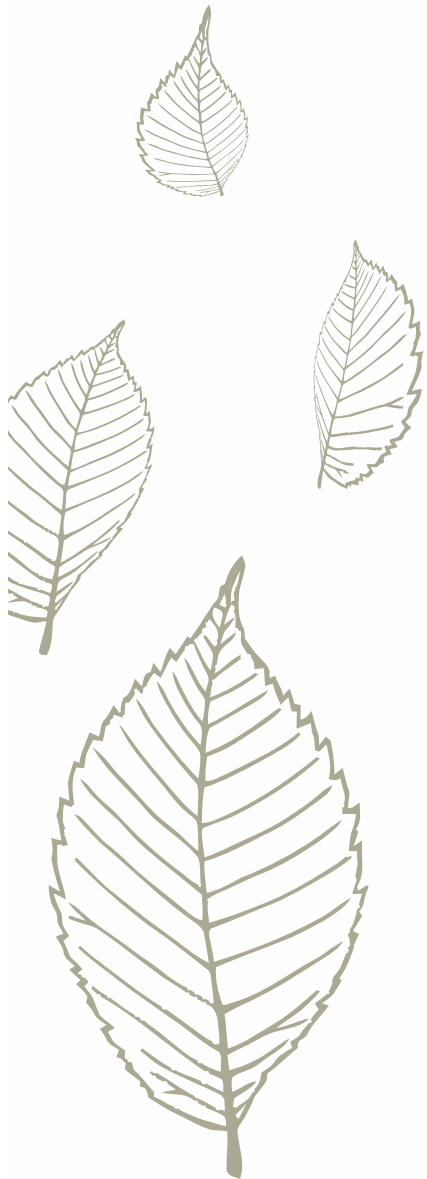

Soap. Green Tea

The hotel premium cosmetics line innovates through this special hotel soap of 20 gr. made 100% from vegetable oil, being ready to offer a extravagant experience to your clients.

Omnia soaps conveys the feeling of a natural lifestyle and "joie de vivre", and instills a healthy, fresh body energy.

CMNIA

The two modern toned down color option gives you the freedom to choose your style .
Omnia Matte Beige and Omnia Matte Grey.
Omnia's neutral design shares the idea of a sophisticated and premium choice of lifestyle.

In terms of bottles, Omnia brings to life the 40 ml. printed bottle, which distinguishes itself on the market by its larger quantity of liquid and mostly by its beautiful curves, outstanding print and innovative labels.

Omnia cosmetics are enriched with Vitamin A and Vitamin E, both being well-known for the benefits of moisturizing and nourishing the skin and hair.

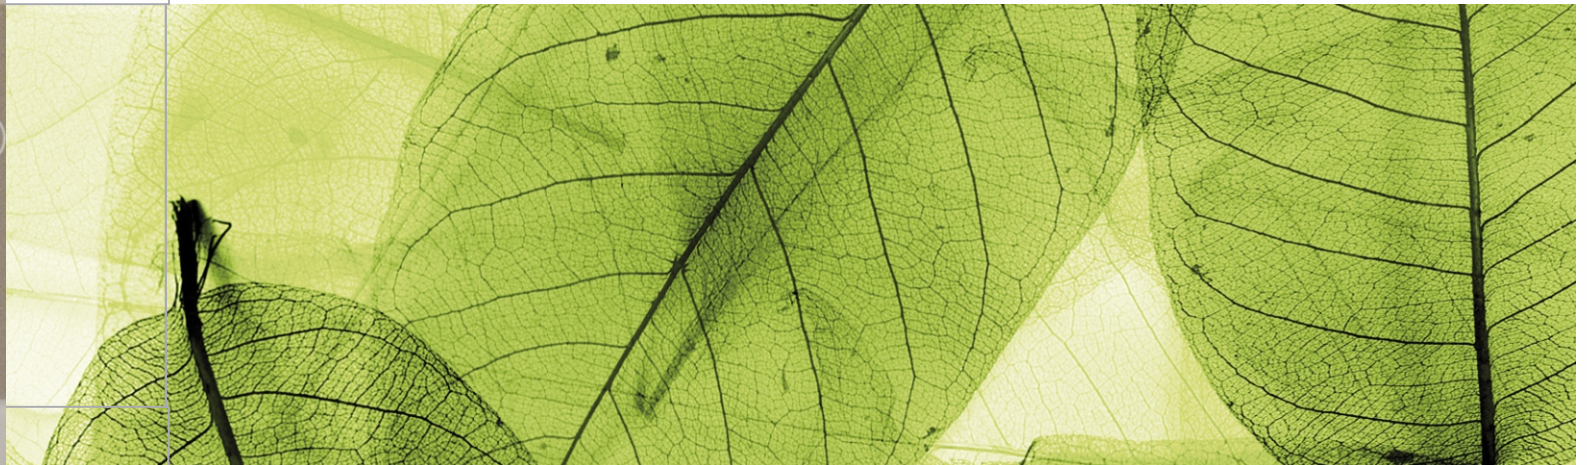

From a lush, green world of freshness comes our new line of hotel cosmetics. The Green Tea fragrance energizes the body, excites the senses and invigorates the spirit.

vitamin a⁺

Vitamin A is key for a good vision, a healthy skin and cell growth. Given its powerful antioxidant content, your skin will be spoiled and will reveal its best look.

vitamin e⁺

The Vitamin E improves the skin's and the hair's quality by helping it retain its natural moisture formula. Omnia will make dull-looking, dry skin look healthier and refreshed.

eco
aware

The soft-touch concept of the packaging and the eco-material made of 100% stone powder printed with vegetal biodegradable ink show the friendly-environment character of Omnia.

The eco material of the packaging, the simple, neutral and yet elegant flower and leaf design along with the two color tones offers the best solution that blends into any space, placing Omnia in the premium league of hotel amenities.

The newest display element promoted by Omnia is the eco-holder.

made from 100% biodegradable cardboard which helps on better organizing the amenities in a very innovative and elegant manner.

A healthy lifestyle, ethical and ecological values have increasingly become deciding factors for today's guests. Body products are expected to be kind, both to the skin and the environment.

Guests all around the world will enjoy the benefits of using Omnia products and its everyday advantages over body and spirit.

The waterproof material has a soft-touch feature, which creates an unique experience for the guests.

SHOWER CAP

The Omnia's shower cap is eco-aware oriented, being made of 40% corn extract and it has been created with great attention to details, in order to satisfy even the most demanding customers.

VANITY KIT

The vanity set combines the usefulness with care for the environment. Omnia eco-aware vanity kit is made up of 4 wooden cotton swabs and 2 cotton pads.

DENTAL KIT

Encourages the eco-friendly trend by containing 40% straw extract for the toothbrush and 6gr. tooth paste tube with aloe vera.

SHAVING KIT

Omnia shaving kit has a premium quality blade shaver and 15 ml. shaving gel sachet.

SHOE SPONGE

Omnia hotel shoe sponge has a generous quantity of silicone to leave your shoes shiny and clean. By providing this product to your guests, you reveal them your keen and complete attention to details.

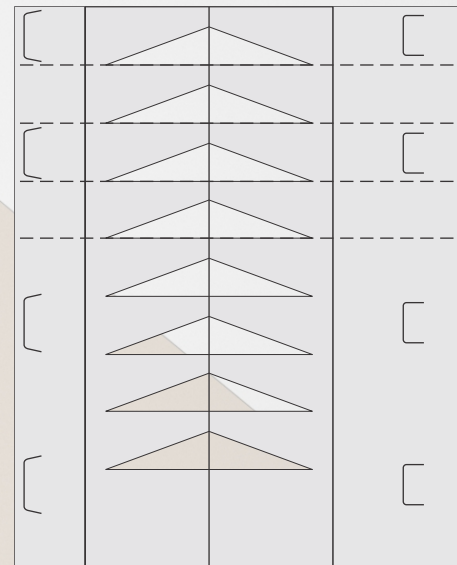

FOLDABLE HOLDER

Made from laminated cardboard. Water resistant, and biodegradable. SMART.

It has precuts for adjusting the dimension to accommodate from 4 up to 8 amenities sachets.

And the best part? You can customize it with logo, or any other graphics you might like.

SEWING KIT

Omnia sewing kit is one of the most complete sets on the hotel amenities market, with 6 colour threads, a sewing needle, safety pin and two buttons, black and white.
