# Soap

## The Black Tie Soap

The Black Tie hotel soap 15gr. is characterized by elegance and refinement. This hotel soap is made using a traditional method that makes it possible to preserve the nutritional benefits of the vegetable oils it is made of. The Black Tie hotel soap is fresh and invigorating due to its aqua tone and sets itself apart from others by a wide diameter of 5.4cm (even though it weighs only 15g) and by its pure ingredients, which make this possible.

With a pleasant and elegant design, is wrapped in a cherry colored waxed pleated paper that is easy to open because of the corner label.

Neutral pH.

Manufactured in accordance with EU rules and regulations.
